PROGRAM INFORMATION

Target Audience

This meeting is designed for anesthesiologists, anesthesia providers, practitioners, nurses and administrators who work and specialize in ambulatory, office-based or non-operating room anesthesia.

About This Meeting

The purpose of this meeting is to educate and share information that is tailored to physicians, AHPs, Medical Directors, and Administrative staff who practice in Ambulatory Surgery Centers. Opportunities for questions and answers will be provided at the conclusion of each panel.

The SAMBA ASC Medical Directors and Leaders Summit is being held concurrently with ASCA's 2023 Winter Seminar. For more information on the ASCA 2023 Winter Seminar, visit <https://www.ascassociation.org/winterseminar>.

Registration

Registration for the 2023 ASC Medical Directors & Leaders Summit includes access to all sessions and the program syllabus. Note that all fees are quoted in U.S. currency. Registration for the meeting is available to members and non-members via SAMBA's website at www.sambahq.org.

DISCLOSURE POLICY

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, resolved. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists accredited activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.
